

Our Vision

Domestic & Cross-Country Trade Desk is an initiative to connect Manufacturers and Service Providers to Distributors and Agents in markets beyond their geographical reach. This platform aims to provide businesses access to qualified Manufacturers and Suppliers for their Procurement needs and start-ups access to regional and global Marketplaces.

Sign up for Trade Connect now and create new synergies for your business. Sign up today!

Idarah al-Tijaarat al-Raabehah Trade Desk

A platform designed to assist Dawoodi Bohra Businessmen in expanding their businesses and creating synergies amongst the community members.

Objectives

Facilitate connections between Manufacturers, Service Providers and Distributors, Agents in untapped markets.

Enable businesses to access a range of qualified suppliers for their procurement requirements.

Provide start-ups with the opportunity to expand their reach and access global marketplaces.

Foster collaboration and networking within the community to build a robust supply chain ecosystem.

Identify new and emerging opportunities for the community's businesses.

Establish a direct link between manufacturers, distributors and retailers within the community.

More about the Trade Desk:

Sourcing and integrating dependable and trustworthy vendors into the supply chain.

Building strong connections with local enterprises

Analyzing the functioning of current Dawoodi Bohra businesses and working towards consolidating the community's supply chain operations into a cohesive system.

With Trade Desk, businesses have access to a well-defined Supply Chain strategy operating within a clearly defined management structure and vision.
