Action Plan

Survey

A comprehensive survey form has been devised for the Khidmat Guzar to evaluate the existing standards or availability of office space within the mauze. This survey is instrumental in enabling the central office to discern gaps and identify key areas for improvement.

Location Identification

In instances where Umoor Iqtisadiyah office space is absent within a mauze, Khidmat Guzar are tasked with identifying potential spaces for establishing the business center. Additionally, they are to designate a Point of Contact (POC) who will provide assistance throughout the project execution phase.
